We have our PM1 testing data update – 99% of kids in ELA and math tested. The numbers: In 2024, PM1 proficiency in ELA was at 58% compared to our current SY, PM1 proficiency in

ELA is 65%. Mathematics: In 2024 the proficiency in PM1 Math was IDK, in our current SY we are at 52% proficiency in Mathematics. We are the highest in Math and ELA.

Budget Report and Updates by Mrs. Judith Malone: No rollover funds have been received, accountability funds have not yet been received. The last budget request was filled by PTSA for math tutoring and ELA tutoring. The next budget request is for dictionaries; at this time we cannot guarantee funds for this; no district grant has been provided for dictionaries anymore. This year we require dictionaries in the Turkish and Hebrew language; dictionaries are \$24.99 - \$50.00. We will be reaching out to PTSA to provide funds for the ESOL dictionaries. We need about 16 dictionaries x 8 classes. Schedule changes have been made to pair students with the same language; remember ESOL strategies. Dictionaries must be word-to-word. This request will be tabled.

SESIR Report: Dr. Saddler is on jury duty. The SESIR report can be found on the school website.

Mathematics Report by Kami McLaughlin: Cypress Bay will be starting after school tutoring on October 7th. Rooms are being finalized and we will be sending the activities forms home through the math teachers soon.

Each month a dept. will discuss how they are monitoring the SIP plan and feedback OCT ELA DEC MATH, JAN SOC STUDIES, FEB SCIENCE. We need to have an active social media account amongst all administrators and the school itself. Things happening in the classroom should be shared on social media.
