

School Advisory Forum Meeting

Cypress Bay High School

Date: 1/13/2026

Location: SurfBoard Room

School Choice Update

- School Choice application window remains open through January 28.

School Scheduling

- No changes will be made to the current scheduling at this time.

Budget and Consolidation

- The county identified alternative funding sources, such as subletting unused office space and relocating administrators to consolidated schools.
- A total of 11 schools will be consolidated as part of district budget management efforts.
- Plans are underway to increase enrollment by reconsidering school boundaries and consolidating certain schools; however, Cypress Bay and Weston schools will not be directly affected.
- The district's primary focus is to bring the budget under control at the district level.

Resources

- EdFed Credit Union offers a variety of free financial literacy resources for families; eligibility requires a student in BCPS.

Technology Initiatives

- Prism VR headsets are being used at feeder schools, with excellent feedback reported from students and staff.

Opportunities

- BCPS has active contracts with Broward College (BC), Florida Atlantic University (FAU), University of Florida (UF), and Embry Riddle Aeronautical University, providing dual enrollment options not available to private school students.
- Excel at the Bay will take place on January 27.

Adjournment

- Meeting adjourned.
