Family/Parent Engagement. This year we have already held our Open House, Meet & Greet, and Science Night. They were all wonderful events with a lot of participation from families and students. Our focus for the upcoming year is how we will get our parents and families more involved?! Instead of just doing meet and greet, we would like to use parent allocation funds and make it a Parent Orientation/Meet & Greet. We can focus on training parents on how to access things like report cards, checking grades, interim reports, signing up for free & reduced lunch, etc. A motion to approve using parent allocation funds for this was made by Mrs. Ritchie. A second was made by Mr. Rutsky, All were in favor. The motion passed.

- Other events that have been held are monthly SAC meetings, parent training, Curriculum Night, report cards and parent conferences, and parent surveys.
- Schoolwide Exhibition Night will take place in May.
