Meeting Minutes

- I. Call to Order
  - a. The meeting was called to order by Ms. Morgan-Rose, SAC Co-Chair, 3:08pm.
- II. Approval of previous meeting minutes
  - a. Approval of November 18, 2025 minutes
    1. Motion to approve started by Ms. Partee.
    2. Motion second by Ms. Denis.
    3. Quorum requirement has been met.
- III. New Business
  - a. Ms. Thompson presented the A+
    1. Amount awarded to Everglades HS is significantly less than last year.
      - o Faculty and staff not happy with the total amount.
    2. No formal explanation from district, but it seems more schools met criteria.
    3. Concerns Raised
      - o Mr. Klasner stated that no matter which way we go there are going to be upset staff. Mr. Klasner stated staff works very hard to then have state take away funds. Certain employees receive the same payment when they work a portion of the schedule the rest of the staff works. Teachers are going to vote default because it is less money this year. Tough decisions need to be made.
      - o Ms. Denis stated parents are outsiders and going by what they are told. Suggested take A+ funds and put it aside to give more to the school (students) and less to staff.
      - o Ms. Ramos stated Glades MS is not closing next year and Everglades HS needs to promote to elementary schools.
    4. Faculty and staff were asked to submit proposals on how to allocate funds.
      - o Ms. Thompson presented the various proposals.
      - o Ms. Thompson explained the default, which is if not enough votes on a particular proposal by 1/31/26 it goes to default which means only teachers with students assigned to them receive the funds.
    5. A ballot needs to be voted and approved by SAC members today which the staff will use to vote in order to decide how the moneys will be allocated. This is done by looking at the proposals and coming up with options.
      - o Sample ballot from last year was reviewed.

- Recommended to have 2 options including “none of the above” on the ballot because a minimum of 66 2/3% is required.
  - Giving a percentage back to the school has been helpful in the past for items such as additional periods and ELOs.
  - Ms. Ramos asked for a count of INS and NIS. Ms. Thompson responded approximately 97 INS and 81 NIS.
6. Options for the ballot
- Partee suggested 75% staff, 25% school (students)
  - Ms. Williams suggested 90% staff, 10% school (students)
  - Ms. Norton suggested 85% staff, 15% school (students)
  - Mr. Klasner suggested 80 or 85% staff, 20-15% school (students)
7. Vote for the ballot
- Roll Call Vote: Marie Duperval, Vulette Denis, Tameka Williams, Dione Gordon, Bruce Klasner, Fosie Norton, Ashley Ferguson, Melissa Ramos, Divina Schiff, Nancy Mahecha, Idania Rodriguez, Michael Levine, Mararena Roca-Rey, Laqueta Morgan-Rose.
  - Vote for 3 options on the ballot – 3 votes
  - Vote for 90% faculty and staff, 10% school (students) – 7 votes
  - Vote for 85% faculty and staff, 15% school (students) – 5 votes
  - Passed 90% faculty and staff, 10% school (students)
8. Who will receive the funds?
- Ms. Ramos asked what classifies as a year. Response is 99 days. She also asked who can vote and if they were here last year when grade was calculated.
  - Mr. Klasner - we are guided by state statutes. Part of school staff when grade acquired should get this money.
  - Ms. Williams – if they grinded with us they should get a percentage.
  - Dr. Mahecha – current staff member not here last year should not receive it.
  - Mr. Klasner – motion for 99 days vote.
    1. Approved by all SAC members present (15).

School Advisory Council (SAC)

Meeting Minutes

- I. Call to Order
  - a. The meeting was called to order by Ms. Morgan-Rose, SAC Co-Chair, 3:08pm.
- II. Approval of previous meeting minutes
  - a. Approval of November 18, 2025 minutes
    1. Motion to approve started by Ms. Partee.
    2. Motion second by Ms. Denis.
- III. New Business
  - a. Ms. Thompson presented the A+
    1. Amount awarded to Everglades HS is significantly less than last year.
      - o Faculty and staff not happy with the total amount.
    2. No formal explanation from district, but it seems more schools met criteria.
    3. Concerns Raised
      - o Mr. Klasner stated that no matter which way we go there are going to be upset staff. Mr. Klasner stated staff works very hard to then have state take away funds. Certain employees receive the same payment when they work a portion of the schedule the rest of the staff works. Teachers are going to vote default because it is less money this year. Tough decisions need to be made.
      - o Ms. Denis stated parents are outsiders and going by what they are told. Suggested take A+ funds and put it aside to give more to the school (students) and less to staff.
      - o Ms. Ramos stated Glades MS is not closing next year and Everglades HS needs to promote to elementary schools.
    4. Faculty and staff were asked to submit proposals on how to allocate funds.
      - o Ms. Thompson presented the various proposals.
      - o Ms. Thompson explained the default, which is if not enough votes on a particular proposal by 1/31/26 it goes to default which means only teachers with students assigned to them receive the funds.
    5. A ballot needs to be voted and approved by SAC members today which the staff will use to vote in order to decide how the moneys will be allocated. This is done by looking at the proposals and coming up with options.
      - o Sample ballot from last year was reviewed.

- Recommended to have 2 options including “none of the above” on the ballot because a minimum of 66 2/3% is required.
  - Giving a percentage back to the school has been helpful in the past for items such as additional periods and ELOs.
  - Ms. Ramos asked for a count of INS and NIS. Ms. Thompson responded approximately 97 INS and 81 NIS.
6. Options for the ballot
- Partee suggested 75% staff, 25% school (students)
  - Ms. Williams suggested 90% staff, 10% school (students)
  - Ms. Norton suggested 85% staff, 15% school (students)
  - Mr. Klasner suggested 80 or 85% staff, 20-15% school (students)
7. Vote for the ballot
- Vote for 3 options on the ballot – 3 votes
    - Tameka Williams-yes
    - Bruce Klasner-yes
    - Divina Schiff-yes
  - Vote for 90% faculty and staff, 10% school (students) – 7 votes
    - Vulette Denis-yes
    - Dione Gordon-yes
    - Laqueta Morgan-Rose-yes
    - Marie Duperval-yes
    - Nancy Maheca-yes
    - Tameka Williams-yes
    - Michael Levine-yes
  - Vote for 85% faculty and staff, 15% school (students) – 5 votes
    - Bruce Klaner-yes
    - Idania Rodriguez-yes
    - Divina Schiff-yes
    - Fosie Norton-yes
    - Melissa Ramos-yes
  - 90% faculty and staff, 10% school (students) and None of the above are the only two options on the ballot.
  - Motion to approve the ballot- Divina Schiff
  - Motioned seconded to approve the ballot-Tameka Williams
8. Who will receive the funds?
- Ms. Ramos asked what classifies as a year. Response is 99 days. She also asked who can vote and if they were here last year when grade was calculated.
  - Mr. Klasner - we are guided by state statutes. Part of school staff when grade acquired should get this money.
  - Ms. Williams – if they grinded with us they should get a percentage.

- Dr. Mahecha – current staff member not here last year should not receive it.
- Mr. Klasner – motion for 99 days vote.
  1. Approved by all SAC members present (15).
