SAF Notes 8/27/2026

SAF TRAINING- MAIN TOPIC

New email for North Area Chair contact

LUNCH

- Lunch is a major concern for students
- Lunches are being removed from the students AFTER the first time they have lunch without paying
- Every lunch afterwards will be taken and a nutter butter sandwich will be given with a drink
- The process is not clear
- Multiple Chairs are hearing different processes and ways to cover payment

CLEVER AND FOCUS AWARENESS FOR TITLE 1

- Are there ways to communicate the use of the platforms
- Recommended working with the Principal at their school to integrate those platforms and a short how to on both during Open House and PTA meetings

IREADY SCREENTIME CONTROLS

- There are reports of iReady being shutoff after 3pm for all student users
- The intent is to control screentime and exposure to electronics beyond the school day
- There are recommendations to look at the contractual agreement between the School board and iReady to clarify the restrictions and conditions of use with the product
- Can the School board make the decision to shutoff access to the product, or have they potentially violated the conditions of the contract?

Meeting adjourned at 7:39pm

Next SAF Meeting is September 17 @ 6:15pm at Monarch HS
