SAF Agenda

- Call to Order 3:01 pm Lisa Reas
- District updates Lisa Reas
  - Budget concerns
    - 80Million dollar decline
    - expected to drop another 10million students
    - Many positions have been cut across the county. Depending on school Enrollment
    - The amount for FTE will be cut for next year.
    - SRO- some school will no longer use city police officers at their schools. This should not effect Park Trails
  - Elementary Subcommittee Focus
    - Academics team has not given an update about cutting testing by 50%
    - Case Study: I-Ready had minimal effectiveness in student learning. District is deciding if we will continue to use the program.
    - i-Ready lawsuit: Selling student data to third parties.
    - Next steps: To look at certain learning apps and where is the most effective place to cut costs.
    - The board want to see how Florida laws are effecting how students are using technology in the classroom. How will AI be monitored.
