 - <https://www.browardschools.com/Page/35378>
- Accountability funds-the current fund stands at \$17,709.86. As detentions are funded (approved request for funds), the money will decrease.

- SESIR (School Environmental Safety Incident Reporting)-October and November data has not been posted.
- Old Business –A+ Ballot proposals discussion, creation, and vote. Voting process must be by February 1, 2026. Money can be used to reward faculty and non-faculty bonuses, buying educational equipment. The faculty vote will be January 5th. Outcome of the vote will be discussed on January 26th. Mrs. Ackerman explained the voting results from the faculty and staff feedback survey given out the previous week. 78% of staff and faculty polled supported sharing bonuses with faculty and staff. Mrs. Ackerman shared narrative feedback from faculty and staff: There were some questions as to whether interim subs could be included. They can be included if SAC votes to include them. Mrs. Gebbia asked what the vote was last year or the last year we were eligible? And were subs included? The answers were that faculty and non-faculty were included last year. Subs were not. Mrs. Scott wished to clarify that an interim substitute is taking over the class for the remainder of the year. If an interim sub is not found, the class is split up and given to existing faculty to teach. Most of the public comments supported sharing the bonus money with faculty and non-faculty because “all staff contribute to the success of the students”. Mrs. Tortorella asked how many interim subs there were last year. There were 4 interim subs last year. Roxanne Brissett motioned to vote whether we should include interim subs in the money. Carrie Forsyth seconded. Beth Ackerman led the vote. The vote was unanimous to not include interim subs. Mrs. Brissett began the ballot discussion if there were no further comments.
 - For the proposed ballot: Proposal 1 is 100% of the funds for a one-time bonus to be divided among 2024-25 faculty (instructional) and staff (noninstructional) members. Staff must have worked at least 99 days of the 2024-25 school year (per the 186- day calendar) to receive the bonus. Mrs. Forsyth asked teachers how they felt about the 99 days requirement. Teachers present said they felt fine about it.
 - Proposal 2: 100% of the funds for a one-time bonus to be divided among 2024-2025 faculty (instructional) members. Staff must have worked at least 99 days of the 2024-2025 school year (per the 186- day calendar) to receive the bonus.
 - Proposal 3 would be “None of the above.” Mrs. Brissett said that we must have none of the above as an option. She then asked for a motion to approve.
 - Beth Ackerman motioned to approve the ballot as outlined above. Carrie Forsyth seconded.
 - Mrs. Brissett asked Mrs. Ackerman to conduct a roll call vote. The ballot was adopted by unanimous vote with all 35 members who were present at the time of the vote agreeing to the ballot with the 3 options above. Five members left prior to the vote.
- New Business – Janet Chung presented about DECA. She is the VP of Marketing of DECA. She wanted to let us know about what DECA has done so far this year. DECA is a student organization

that prepares students for careers in marketing and business. Recently leaders from the chapter project (Financial Literacy Education) spoke with students at Sawgrass Springs Middle School. They also had a DECA breakfast where interested students were able to come learn more about DECA.

- SAF– Mrs. Morst gave the report. For payment of lunch, there will be no more courtesy meals. If you don't have money, it will be charged to your lunch debt. You will have to pay that debt off the same as any other obligation. The District is \$300,000 in debt for lunch. If you get a la carte items, you will have to pay cash. You will not be able to charge those. This is retroactive to October 1st. There will be 1,000 layoffs across the District this year. The District has lost \$100 million in funding due to declining enrollment. Acceleration rollover funding – the CFO says there is no money to give back to the schools for acceleration. It rolled into general funds even though that is prevented by state law. The Superintendent said all acceleration programs will be funded the way they need to be. There has been a flood of emails to District from community stakeholders that they want to see acceleration money being returned to schools.
- Adjournment – Danielle Tortorella motioned to adjourn the meeting at 4:26. Fiorella Camperos seconded.
