What is SAF?

The School Advisory Forum otherwise known as SAF is a mandated board by the state. SAF fosters and promotes communication between its stakeholders, the school and the Regional Advisory Council. The SAF brings recommendations, concerns and interests to and from their Regional Advisory Council.

Why should I join SAF?

Being a part of the SAF ensures that diverse viewpoints are considered in school decision making and shared with the North Area region. It is your chance to have your voice heard at the school and district levels!
