SCHOOL ADVISORY COUNCIL MEETING MINUTES DRAFT

Thursday, August 27, 2026, at 5:00 p.m.
Multi-Purpose

I. Call to Order / Introductions

- The meeting was called to order at 5:06 PM by Ms. Burke.

II. Approval of Previous Meeting Minutes

- Motion to accept the minutes as read was made by Mrs. Rodriguez and seconded by Mr. Scott.

III. Principal's Update – Mr. Toliver

- New Renaissance Middle School maintained a B school grade with 60% of the available school accountability points for the second consecutive year.
- The school's goal for the 2026–2027 school year is to earn an A school grade, with continued support from students, families, staff, and the community.
- Sixth-grade health screenings begin September 2, 2026.
- FAST PM1 testing begins September 3, 2026. Testing will proceed by grade level, beginning with 8th grade, followed by 7th grade and then 6th grade. Students will participate in PM1, PM2, and PM3 during the school year.
- Parents were encouraged to ensure students receive adequate rest, arrive on time, eat breakfast, and receive positive encouragement during testing.
- Free breakfast and lunch are available to students.
- Families who signed up for a student laptop were reminded of the parent device meeting on September 3 at 6:00 p.m. for device pickup and required documentation.
- Families were encouraged to stay connected through weekly ParentLink communications and the school's social media accounts.

IV. Accountability Funds Update

- The school received accountability funds last year, which supported student celebrations, an ice cream machine, teacher supplies, and staff recognition.
- Because the school maintained its B grade, additional accountability funds are expected for the 2026–2027 school year; the final amount has not yet been released.
- SAC members and parents will be invited to provide input on how the funds should be allocated once the amount is known, anticipated around October or November.

V. School Improvement Plan (SIP) Update – Mrs. McKie

- The School Improvement Plan is developed using prior-year school performance data and current diagnostic assessment information.
- The SIP is due September 8, 2026.
- The school maintained 60% of available accountability points and is targeting approximately 64–65% this year as progress toward an A school grade.

VI. School Environmental Safety Incident Reporting (SESIR) – Mr. Perez

- SESIR was reviewed as the state reporting process for qualifying school safety and behavior incidents.
- There were no SESIR-reportable incidents at the time of the meeting.
- Guidance counselors and administration continue to address behavior concerns through mediation, appropriate consequences, and prevention efforts.

VII. Title I Updates – Mrs. Rodriguez

- The school is collecting Parent Compacts signed by students and parents as a reminder of shared responsibilities for student success.
- At least 75% of students must have the Parent Compact on file to support continued Title I funding requirements.
- The Title I Parent Survey will be distributed at the end of September. Families were encouraged to complete the survey so the school can use parent feedback to make needed changes.
- The school needs participation from at least 10% of parents on the Parent Survey.

VIII. SAC Meeting Dates – Ms. Burke

- The annual SAC meeting schedule was distributed to attendees.
- Corrections were noted for the January 7 and April 1 meetings; both meetings should be listed at 8:30 a.m.
