**7. New Business:**

a. School improvement Plan Development/Monitoring

Goals:

1. Family Engagement: 95% or more of all Pre-K parents will participate in two or more Family Engagement Activities during the school year.
2. Literacy (ELA): All PreK students will make learning gains in the area of ELA/Reading Readiness as documented by Teaching Strategies Gold. Early Head Start, Head Start, VPK and PreK ESE Teacher Training quarterly. Focus on GROWTH MINDSET. Quarterly Data Chats by Administration with each teacher/lead.
3. Attendance: All PreK students will attend school regularly, thus participating in as much instructional time as possible. (The best way to prepare students for kindergarten is attending school regularly. The goal is to cut down on unnecessary absences.)

Parent Input/Feedback:

- a. Parents observed evidence of these goals being implemented.
- b. Social-emotional learning being displayed at home. Children are telling their parents/siblings how to calm down and breathe.
- c. Sibling who attended GELC, now in kindergarten, exceeding expectations- evidence of kindergarten readiness!
